

# AK Trenchless

## Management Buy-Out of AK Trenchless Plc

**Strategic Corporate Finance acted as lead deal adviser in respect of the management buy-out of AK Trenchless PLC by Roger Hill, the company's Managing Director.**

AK Trenchless Plc provides nationwide specialist directional drilling services for the installation of pipes and cables underground without the need to excavate. Typical applications for the company's services are drilling underground beneath motorways, major roads, rivers, canals and railways.
