

Dealmakers Steer International Travel Group Buy-Out

Management Buy-Out of Albatross Travel Group

Strategic Corporate Finance acted as lead deal advisers, to the buyout team of Sean Taggart and Steve Hornby, on the Management Buy Out of the award-winning Albatross Travel Group.

The Albatross Group is a market-leading wholesale travel organisation, promoting its tours exclusively to the travel industry. The Group was established in the UK in 1985 and currently handles the travel arrangements for over 5,000 leisure groups every year.

It will generate sales of over £27m in the current financial year and has subsidiaries that operate in Europe and Australia.

The deal was financed by Co-operative bank in Leeds and Private Equity Investment Vehicle, the Cornell Group.

We are delighted to have led the negotiations for the deal on behalf of Sean and Steve and to have successfully raised the funding for what was a complex transaction.
