

Sunquest Tanning Systems Shines In Deal

Buy-in / Management Buy-out of Sunquest Tanning Systems Limited

Strategic Corporate Finance acted as lead deal advisers to a management team led by buy-in candidate Tony Webster on the buy-in / management buy-out of Manchester based Sunquest Tanning Systems Limited.

Sunquest is the largest manufacturer of UV vertical tanning units, lie-down sunbeds and non-UV manual and automated spray tanning booths in the UK. The company employs over 70 people.

The deal also involved the acquisition of Ribquest Limited, a designer and manufacturer of rigid inflatable boats.

The management team, who were advised on all aspects of the deal Strategic Corporate Finance, include Tony's fellow management buy-in candidate Mike Bower. Jackie Burton, Mike Lord and Gary Hobson, three existing Sunquest employees, also joined the management team as production director, customer services director and sales director respectively.
