

A Welcome Change

Disposal of Welcom Software Plc

Strategic Corporate Finance provided deal advice in respect of the disposal of bespoke software company Welcom Software PLC.

Welcom Software, based in Harrogate, is one of the UK's leading software houses providing business solutions to the consumer and commercial finance, supply chain and retail sectors for over 25 years.

Strategic Corporate Finance advised the vendor on all aspects of the disposal of his shares, being involved from an early stage in discussions and negotiations with the purchaser, an existing minority shareholder in the company, right through to legal completion of the disposal.

The vendor remains on the board of directors as a Non Executive Director following the sale.
