

Autac Products Limited

**Acting for the vendors on a sale to
management**

**Strategic Corporate Finance advised the vendors on the sale of
Autac Products Limited to a management team.**

Autac Products is a leading UK designer and manufacturer of high quality spiral, suzie coils and retractable coiled cable assemblies.

The company manufactures and supplies electrical cables, coils, bespoke cable assemblies, plugs and sockets to Electrical & Commercial Vehicle, Aviation, Defence, Communication, Agriculture, Marine, Oil, Chemical and Medical distribution and OEM companies around the world, as far as Australia and China.

Strategic Corporate Finance gave initial advice to the vendors, negotiated the terms of the transaction and advised through to legal completion.
