

Sale of British Hardwood Tree Nursery Limited

Strategic Corporate Finance acted as lead deal adviser to the shareholders of British Hardwood Tree Nursery Limited on their sale to Origin Enterprises plc

British Hardwood Tree Nursery Limited (“BHT”), is one of the UK’s leading specialist wholesale suppliers of bare root plants, shrubs, hedgerow plants and planting accessories for the forestry, farming, estate management, corporate and landscaping sectors. It was sold to Origin Enterprises plc, an international agronomy-services group.

SCF played a hands-on role throughout the transaction, from early-stage advice on valuation, through to negotiation of deal terms and support during the due diligence and legal process, working closely with the shareholders’ accountants and lawyers to ensure a successful outcome.
