

Successful Conclusion to Acquisition Search

Management Buy-In of Dewhirst Accessories Ltd

Following an active acquisition search for John Fenton, we advised John Fenton on the acquisition of Dewhirst Accessories Limited (“DAL”).

Many businesses were contacted by us during the acquisition search. After detailed discussions with several businesses, DAL was identified as a suitable and high quality acquisition target. We acted as lead deal advisor in negotiating the deal, raising the finance and in project managing the management buy-in by John Fenton

DAL provides a full product design, sourcing, packaging and distribution service in respect of gift and toiletry sets for blue chip customers including British Airways, Bodyshop and Boots. It also manufactures children's car seat covers for Britax.
