

MBO Team Build for the Future

Management Buy-out of Hodkin & Jones (Sheffield) Limited

We acted as lead deal adviser to a management team, lead by David Lewis, on the Management Buy-Out (MBO) of Hodkin & Jones (Sheffield) Limited (H&J), acquiring the company from the Douglas Quay Group (DQG).

Established in 1868, H&J is a leading provider of products and services to the building industry, operating through four divisions that trade from two sites in Sheffield and one in Dronfield, North Derbyshire.

DQG's two previous attempts to sell Hodkin & Jones were unsuccessful, and therefore we are particularly delighted that we have played a key role in David Lewis and his team taking control of the company and have every confidence that they will take it forward successfully in the years to come.
