

# Sale of Optech Fibres to 24-7 Group

---

---

Strategic Corporate Finance acted as lead deal adviser to the shareholders of Optech Fibres Limited on their sale to 24-7 Group Limited

Optech is a provider of electrical and data network design and installation services based in Barrow-in-Furness, principally serving the defence and nuclear sectors.

24-7 Group is a UK-based engineering and facilities management organisation delivering integrated technical services across mechanical, electrical, FM, energy, fire & security, and fit-out.

"I can't thank Strategic enough for the incredible work in selling the business. Greg's expertise, and guidance throughout the entire process made what could have been a stressful experience feel seamless. I wouldn't hesitate to recommend your services to anyone looking to sell their business." – Robbie Sanders, shareholder of Optech.
