

# New Owner Puts Sugar Coating on Takeover Deal

## Management Buy-In of Regency Mowbray Co Ltd

**We brought the sweet taste of success to a management buy-in, by businessman Jeremy Mallin, at the Regency Mowbray Company Ltd. of Staffordshire, whose quality products including chocolate and fruit sauces go all over the world.**

Jeremy, who we advised at all stages of the transaction has for the last few years worked as a consultant in the food production sector and is now at the helm of Regency Mowbray, which has an international reputation for supplying the food industry with a variety of ingredients.

Founded in 1963, the company has grown rapidly through a process of expansion and acquisition and now offers one of the widest products ranges available from any food ingredients company anywhere in the world.
