

# Sale of Supaseal (UK) Limited

---

---

Strategic Corporate Finance acted as lead deal adviser to the shareholder of Supaseal (UK) Limited on their sale to TFC Limited

Supaseal is a major player in the rubber seals industry, growing a business which started in 1991 to now supplying a wide range of O-Rings, Rotary Shaft Seals, Bonded Seals, Circlips, and associated products to customers in the UK, Europe, the U.S., Middle and Far East.

TFC, an AFC Industries company, is a leading provider of vendor managed inventory solutions and technical engineering products.

Greg Barker, director of Strategic Corporate Finance was appointed by the shareholder of Supaseal, Audrey Dickens, to find a buyer for the business and manage the sale process. Multiple offers were received for the business and TFC was selected as the most suitable purchaser. Strategic played a hands-on role throughout the transaction, working closely with the shareholder's accountants and lawyers to ensure the deal completed smoothly and on time.

Audrey Dickens commented "I just want to say thanks to Greg for guiding me through this whole process. It's not every day you sell a business!"
