

Specialist Caterer Carves out Bigger Slice of the Market

Acquisition of Northern Catering (Sheffield) Limited

The successful South Yorkshire based Underwood Meat Company, which has an annual turnover in excess of £25m, has acquired dedicated catering butchers, Northern Catering (Sheffield) Ltd.

Underwood's made the approach to Northern Catering because of the strategic fit in terms of new customers, markets and synergies. Northern Catering fits very neatly into Underwood's portfolio.

Underwood's has an impressive track record of supplying a variety of fresh quality meat products to a diverse customer base, from small independent restaurants to large groups and branded chains.
