Acquisition of Coachbuilder

Acquisition of Whitacres Stoke on Trent Limited

We advised on the acquisition of Whitacres Stoke on Trent Limited by Frank Guy Limited.

Frank Guy, based in Clay Cross Derbyshire, builds small coaches, converts vans into wheel chair accessible mini-buses and manufactures aircraft seat covers and associated products.

Whitacres, based in Stoke on Trent, similarly builds small coaches and carries out van conversions into mini buses, as well as extending the size of cabs on recovery trucks to include living accommodation.

The group will have a combined turnover of around £7.5 million.
